Sir:

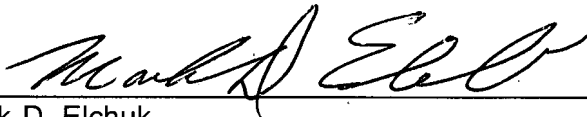

It has come to our attention that the official serial number for the above-referenced application does not match the unofficial serial number which was applied to the return post card received by the undersigned. A photocopy of this post card is shown.

The post card contains a label having the serial number "09/170,793" and the Official Filing Receipt lists the application number as "09/172,193".

Would you please confirm that the serial number listed on the Official Filing Receipt is, in fact, the correct serial number for the above-referenced application. If there are any questions regarding this matter please do not hesitate to contact the undersigned at (248) 641-1600.

Respectfully submitted,
